

Entrepreneur Cell (E Cell)

The E-Cell of SAM Global University was established on 26th August 2024. It was established to help students to develop a strong entrepreneurial mindset, fostering critical thinking, innovation, and strategic planning. It engages likeminded students through various activities & brain storming sessions

Some of them are

- Create your Social Media presence
- Brand your E-Cell (B)
- Head Start task
- Define the roles in your team
- Make a faculty advisor
- Know your motivation
- Social Media Challenge
- LinkedIn Presentation
- What is the Problem?
- LinkedIn Blog
- Freshie Intro
- Eureka! Pitching Competition
